

Why Choose Villanova?

Villanova Dental Studio provides an exceptional patient experience, as our entire team works together to create a welcoming, state-of-the-art facility where our patients receive high-quality dental care from knowing and caring professionals.

We are a family dental practice that proudly serves patients of all ages. We believe in personalized dental care that focuses on patient education and disease prevention, with detailed and personalized treatment plans.

We look forward to meeting with you and to helping you and your family protect and maintain your optimal oral health.

HOW TO TAKE ADVANTAGE OF THIS OFFER

Simply call our offices at (613) 836-9084 and mention the 'Savings Advantage Plan' (or feel free to stop by and see us). We'll be happy to answer any questions you may have, get you (and your family) signed up for the plan, and get you in right away for an initial exam and cleaning. It's really just that easy! We look forward to hearing from you!

"At first glance, you will be drawn to the modern and sleek look of the waiting room. But beyond the decor is an amazing group of dental professionals. Each time my children and I have been there, we have had nothing short of a great experience. Great job of making you feel relaxed and comfortable no matter what your age is. 5 stars for sure!"
